POLICY & PROCEDURE NO.: **(FORMERLY) 5-AORMA**

PURPOSE:

The purpose of this Policy and Procedure is to describe the conditions under which Auxiliary Organizations (Members) may extend Liability coverage to student groups, alumni organizations, booster clubs and other related entities.

Coverage provided under the CSURMA AORMA Liability Program is governed solely by the Liability Memorandum of Coverage and excess insurance policies providing coverage under that program. This Policy and Procedure shall not be construed to broaden or restrict coverage in any way. Rather, this Policy and Procedure is intended to guide Members as respects coverage.

POLICY:

It is the policy of the CSURMA AORMA Liability Program that Members will protect CSURMA program assets by fully implementing the guidelines found in the Insurance Requirements in Contracts Manual prepared by CSURMA's Program Administrator. It is understood that from time-to-time, Members may request to extend Liability coverage for certain student group activities, booster club activities, alumni organization activities or operations of other related entities that benefit the member Auxiliary Organization, and this extension of coverage may be acceptable provided that the member Auxiliary Organization exercises substantial control over the activities or organizations to which coverage is extended.

It is the intention of this Policy and Procedure that the Auxiliary Organizations Association (AOA) and the Auxiliaries Multiple Employer VEBA be considered Member organizations for purposes of insurance coverage through the CSURMA AORMA Liability Program.

PROCEDURE:

Members are expected to adhere to the following procedures:

Members shall fully implement the guidelines of the Insurance Requirements in Contracts Manual prepared by the CSURMA Program Administrator. This means that Members will require third party contractors and vendors to provide appropriate indemnification, insurance and documentation of coverage.

1. In order to extend liability coverage to student groups, alumni organizations, booster groups or other related entities, the following conditions must be met:
 - a. The Member must exercise substantial control over all events, activities and operations. By this, it is meant that the Member is directly involved in all planning of the activities and is in a position to exercise management control.
 - b. The Member will hold substantial financial control.
 - c. A risk analysis has been performed by the Member to determine that the extension of coverage does not generate unnecessarily high risks.
 - d. The Member will participate in the planning and oversight of activities or events so that risk is minimized. The requirements for drivers described in Policy and Procedure AORMA # L-4 will be applicable to those groups to whom coverage is extended. Special Events coverage shall be purchased when the coverage extension is deemed to generate significant additional risk.
 - e. The Member will provide to the CSURMA AORMA Program Administrator appropriate underwriting information.
 - f. The underwriting information will be reviewed by the CSURMA AORMA Program Administrator and may also be reviewed by the Systemwide Director of Risk Management and/or CSURMA's legal counsel who will provide the AORMA Committee with a recommendation as to whether coverage should be extended.
 - g. The AORMA Committee will make the final determination if the Member's coverage can be extended.
 - h. After approval of the coverage extension, the student group, alumni association, booster club or other related entity will be listed on the CSURMA AORMA Liability Program Memorandum of Coverage Declarations Page.
