EXCLUSION(S): *Including but not limited to:*

1. Automobile Liability
2. Alcohol furnished at Club Activities / Events (unless served by a licensed third party provider)
3. The activities of all fraternal organizations (men and women), even academic fraternal organizations are excluded at this time.
4. Hazing
5. Injuries to Participants while participating in athletic activities
6. Intentional Discrimination

ADDITIONAL INSURED(S):

Any affiliate institution to whom the Named Insured is obligated by written agreement to provide such coverage as is afforded by this policy.

The Campus Risk Management department will be asked to verify that the club is officially recognized by the CSU prior to requesting a Certificate of Insurance.

The CLIP Insurer will indemnify and defend an additional insured third-party only if there is a written agreement requiring that the third-party be named as an additional insured.

Note: A requirement that the Student Club name the Campus and/or Auxiliary Organization as an additional insured is not necessary as these entities are already covered parties on the CLIP policy.

CONDITIONS:

1. This is a "claims-made" policy. Coverage is only provided for claims which are both:
 - (1) first made against the Insured during the Policy Period; and
 - (2) reported to the Insurer as soon as practicable, but not later than three years after the Policy Period.

ANSWERS TO FREQUENTLY ASKED QUESTIONS:

1. When an officially recognized athletic club hosts a sanctioned social event, coverage under this program will extend to the social activities of the club. Only the athletic events of the club are excluded.
2. All Fraternal / Greek organizations are excluded from CLIP at this time. Our insurance carriers via Lloyds of London are not comfortable with this exposure and while we recognize that there are academic / philanthropic based Fraternal / Greek clubs, until we are able to get our insurers more at ease with the program, coverage is excluded. As the CLIP program matures and more underwriting data is received from the campuses we will continue to fine tune the program with the goal of making CLIP accessible to all officially recognized clubs, noting it is very unlikely we will ever get the insurers to agree to cover traditional Greek organizations. If there is Greek representation within the organization's / club's name, it cannot be covered.
3. A requirement that the Student Club name the Campus and/or Auxiliary Organization as an additional insured is not necessary as these entities are already covered parties on the CLIP policy.
